Prāṇa Vriddhi (Energy Enhancement System™ or “EES”)

Devotees from all over India and the entire world visit Sri Brahmrishi Ashram for an opportunity to benefit from Prāṇa Vriddhi through our EE System in the peaceful atmosphere of Dhyan Mandir,

This system invented and developed by Dr Sandra Rose Michael of USA has been donated by Jason Shurka of Unifyd Healing (www.unifydhealing.com). This technology uses colour, light, and electromagnetic fields to create a balanced energized environment.

You can activate and enhance the ‘Prāṇa’ energy within yourself that is not available anywhere else in India. Our Prāṇa Vriddhi EE System generates multiple life-enhancing energy fields that promote cell regeneration, immunity, pain relief, detoxification of the body, and overall energy levels.

- Combines your body, mind, and soul
- Helps you achieve peak performance
- Takes you to a higher state of health
- Recharges your inner Prāṇa energy
- Promotes natural healing & rejuvenation
- Enhances the sense of self-awareness

Using the Prāṇa Vriddhi EE System at Sri Brahmrishi Ashram is free for everyone.

Come and heal your body through the energy that has created your body!
